Limited time only! Special Offer
from September 5 - November 10, 2017

Good only for self pay patients, NO INSURANCE.

Patients will not be sedated on the first visit. Sedation requires an initial consult appointment first. Please bring the name of your primary care physician and a list of all current medications for the consult visit. Sedated patients cannot drive home, a separate driver must be present. The driver must stay in the office/waiting room for the entire sedation visit, the driver cannot leave and come back. The patients must have an empty stomach for 8 hours, nothing by mouth, for safety, not even water. Take all your usual home medicines, at the usual times you take them unless directed otherwise by the doctor.
